2. Purpose with this document

This guide introduces you to the tool Freshdesk.

Freshdesk is used as a communication tool, between the customer and Apport Support. Freshdesk enables you to use both the web portal, and standard mail as communication channels.

3. Create additional users in Freshdesk

After Freshdesk go-live, you can add additional users to Freshdesk.

All users from your company domain, are able to send a mail to support@apportsystems.com

This will result in a user creation in Freshdesk, and this user can from then use Freshdesk like all other users from your company.

4. Ways to contact Apport Support

You can contact Apport Support by these channels:

- Create a ticket on the website <https://apportsystems.freshdesk.com>
- Send a mail to support@apportsystems.com
- Call us on our support hotline +45 7244 9950 (important on production stop)

!! Do not use personal e-mail addresses for support tickets !!

5. Logon to Freshdesk for new users

If you have not used Freshdesk in the past, you will need to register with Freshdesk.

In below example, we suppose you have a mail address on the same domain as your colleagues already registered (example YOURNAME@COMPANYNAME.com).

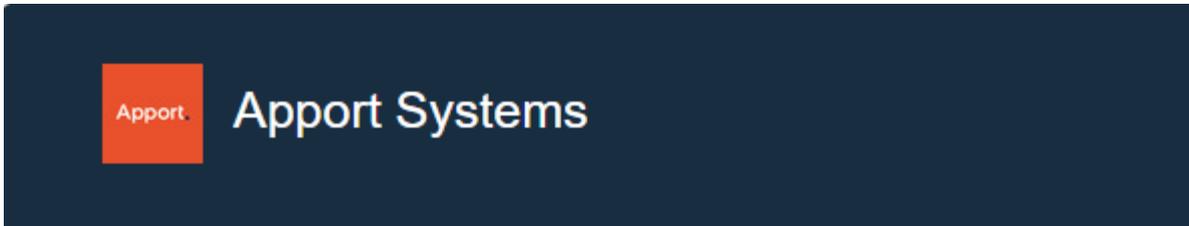

Open <https://apportsystems.freshdesk.com/support/login> and type your full name and e-mail address:

The screenshot shows the Apport Systems support portal interface. At the top, there is a navigation bar with the Apport logo and 'Apport Systems' on the left, and 'Welcome Bent Schierff', 'Agent Portal', 'Edit profile', and 'Sign out' on the right. Below this is a dark blue navigation bar with 'Home' and 'Tickets' links. The main content area is split into two columns. The left column is titled 'Login to the support portal' and contains a form with fields for 'Your e-mail address' and 'Password', a 'Remember me on this computer' checkbox (checked), a 'Forgot your password?' link, and a 'LOGIN' button. Below the form is a link to '...or Submit a new ticket' and a 'NEW SUPPORT TICKET' button. The right column is titled 'Sign up' and contains a 'SIGN UP WITH US' button and a paragraph of text explaining the benefits of signing up.

This will result in a mail sent to you, where you will be asked to confirm your account. Click on the link in the mail. This will forward you to a webpage, where you can type your new password.

Your password should follow below rules:

- Minimum 8 characters
- can not contain username

Activate Your Account

Please confirm your details and set a password for your account

7. Create a ticket for Apport Support

As mentioned, there is different opportunities to create a ticket for Apport Support. The easiest way is, to just send a mail to support@apportsystems.com

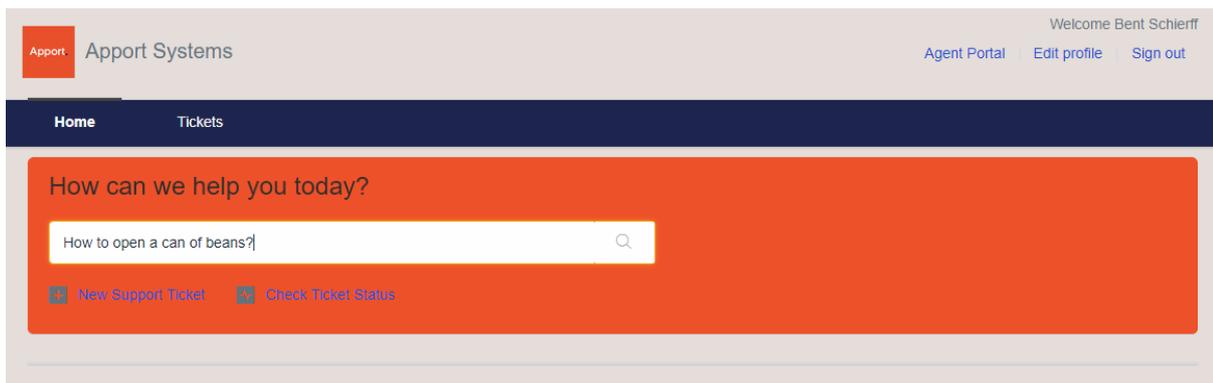

The mail will automatically be converted to a ticket in Freshdesk. From that point, you will be able to see the ticket in the Freshdesk portal. If you add pictures or files to the ticket, these will also be updated in the post in the ticket. Please note, that there is a size limitation of 15 MB for attached files per incident.

You can also create a ticket in the web portal <https://apportsystems.freshdesk.com>

Here you will get the advantage, that previous tickets may already have answered your question, so you don't have to contact support to get the same answer.

By using the text search, you will be presented for previous incidents that had similar pattern as your question.

If you don't get a useable result, you can create a new ticket directly from the portal.

To open a new ticket, hit "New Support ticket".

Requester: Mail address to requester. Responses to the ticket will be sent to requester

Add CC: You can add CC, which will receive all responses to the ticket.

Subject: The subject

Description: Detailed description of the issue. Please ensure we have important details of the problems, ie. Time of occurrence, process and step being used, workername, what was expected etc. Add pictures or screendumps of the problem, is often a big help for fast resolution.

Impact: The impact for this issue, compared to the other issues currently open for your company. This will be used to prioritize your tickets.

The screenshot shows the 'Submit a ticket' form in the Apport Systems interface. The form is located on the left side of the page, with a navigation bar at the top containing 'Home' and 'Tickets'. The user is logged in as 'Bent Schierff'. The form fields are: 'Requester *' with the value 'bes@apportsystems.com', 'Subject *' (empty), 'Description *' (with a rich text editor toolbar), '+ Attach a file' (link), and 'Impact' (dropdown menu). At the bottom are 'SUBMIT' and 'CANCEL' buttons.

Impact

The ticket is now created, and can be seen on the tab "Tickets".

Requester has also received a mail with the ticket details. If you reply to this mail, the reply will be updated in the ticket in Freshdesk

You can see both active and resolved tickets, by clicking "Open or Pending". If you click the ticket number or Open, you can see the ticket details and history.

The screenshot displays the Apport Systems agent portal interface. At the top, there is a navigation bar with the Apport logo and 'Apport Systems' on the left, and user information 'Welcome Bent Schierff' with links for 'Agent Portal', 'Edit profile', and 'Sign out' on the right. Below this is a dark blue header with 'Home' and 'Tickets' tabs. A search bar is present with the placeholder text 'Enter your search term here...'. To the right of the search bar are two buttons: '+ New Support Ticket' and 'Check Ticket Status'. The main content area shows a filter dropdown set to 'Open or Pending' and a sorting option 'Sorted by Date Created'. A single ticket is listed with the title 'Test #228' and a subtext 'Created on Fri, 24 May at 1:08 PM Agent: Bent Schierff'. An 'Open' button is located to the right of the ticket entry. An 'Export tickets' link is visible in the top right corner of the ticket list area.

On the ticket, you can see which agent is assigned to the ticket.
You can also change the impact on the ticket.
On the 3 buttons, you can:

- Respond to the ticket
- Close the ticket
- Add CC to the ticket

The screenshot displays the Apport Systems interface. At the top, the logo and 'Apport Systems' are on the left, and 'Welcome Fresh5' with 'Edit profile' and 'Sign out' links are on the right. A navigation bar shows 'Home' and 'Tickets'. Below this is a search bar and two buttons: '+ New Support Ticket' and 'Check Ticket Status'. The main content area is split into two columns. The left column shows the ticket details for '#170 Ordre kan ikke frigives', reported by 'Fresh5' a month ago. A response from 'Bent Schierff' (Service Manager) is shown, stating the order is fulfilled. The right column shows the 'Agent Working on This Ticket' as Bent Schierff and 'Ticket details' including 'Impact' (Medium impact), 'Status' (Open), and 'Assigned to' (Bent Schierff). An 'UPDATE' button is visible at the bottom of the details panel.

Apport Support will resolve the ticket, when the supporter consider that a final response has been given. The ticket will remain in status resolved for 48 hours, where it can be re-opened by responding to the ticket. After this, it will be closed automatically, and should not be re-opened.

#170 Ordre kan ikke frigives

F

Fresh5, anmeldt 5 minutter siden

Jeg kan ikke frigive ordre 8888. Jeg har forsøgt klokken 10:15
Kan i se hvorfor?

↶ ↷ 👤

Bent Schierff, sagde få sekunder siden

Hi Fresh5,

Det skyldes at en vare manglede opfyldning. Den er nu opfyldt, og ordren er frigivet.

Ticket: <https://apportsystems.freshdesk.com/helpdesk/tickets/170>

Med venlig hilsen / Kind regards

OPDATÉR

When the ticket is resolved, we would appreciate if you would rate the support you received in the ticket. This can be done by selecting a statement under “Satisfaction Rating”

The screenshot shows a support ticket interface. At the top left, there is a breadcrumb "Home / Tickets list" and a yellow status bar indicating "Resolved since 30 seconds". The ticket title is "#170 Ordre kan ikke frigives". A message from "Fresh5" (reported a month ago) says: "Jeg kan ikke frigive ordre 8888. Jeg har forsøgt klokken 10:15 Kan i se hvorfor?". A response from "Bent Schierff" (Service Manager, said a month ago) says: "Hi Fresh5, Det skyldes at en vare manglede opfyldning. Den er nu opfyldt, og ordren er frigivet." On the right side, there is a "Satisfaction Rating" section with the question "How would you rate the support you have recieved in this ticket?" and a "CANCEL" button. The rating options are: "Extremely satisfied" (green), "Mostly satisfied" (light green), "Neither satisfied nor dissatisfied" (yellow), "Mostly dissatisfied" (orange), and "Extremely dissatisfied" (red).
